

Simple Gifts – A Mother’s Day Concert

Various Countries

Presented by International Festival Choir

The IFC is proud to be presenting ‘Simple Gifts’ on **May 13th 2018** at the Concert Hall of Yong Siew Toh Conservatory (YST). Come join us as IFC channels its “inner child” this summer, as we perform a sumptuous piece, Rutter’s Mass of the Children, and other pieces. IFC has invited children from Ahmad Ibrahim Secondary School to join us for the concert and we are thrilled to sing along with them!

While “Mass of the Children” has Latin movements with poems woven into them, following a theme that moves from morning (Kyrie) to night, you will also hear children's pieces from Asia (Molihua, Ibu, Tonari no Totoro), Germany (Brahms Wiegenlied), and Latin America (Duerme Negrito). These are by renowned composers and musicians such as Reed Criddle, Yeo Chow Shern, Mark Brymer & Atahualpa Yupanqui.

Enjoy these and other pieces under the baton of Alan Chong Wai Lun with repetiteur Francesca Lee on the piano. We hope to see you all on concert day!
